The image shows a festive-themed web interface for a Christmas map. At the top, the text "Comfort and Joy" is displayed in a mix of blue and red fonts. To the right of the text are two cartoon-style houses: a blue one with a yellow door and a red one with a green door and a red roof. Below the text and houses, the heading "Find comfort and joy this Christmas" is centered. Underneath this heading is a line of instructional text: "Start typing the place you're looking for, and select the correct option from the drop down list. By default, this field will try to use your current location." Below the text is a search bar with a location pin icon on the left, the placeholder text "Enter your location", and an orange button with a right-pointing arrow on the right. The entire interface is decorated with small, faint Christmas-themed icons like candles and bells in the background.
